

CTC / Cyclenation Conference 2013

Thankyou for registering for the Conference! Please find enclosed a programme and map of the venues. If you booked by post you'll also receive a printed copy of these details.

Arrival, orientation and cycle parking:

The conference takes place at the Civic Hall in Leeds, on Millennium Square to the North of the city centre.

There is some cycle parking outside the Portland Gate entrance of the Civic Hall, and plenty more outside the Rose Bowl, the new building just North of the Civic Hall. Most of this parking is under cover.

If you prefer to leave your bicycle securely indoors, or if you arrive with your bike at Leeds rail station on the Saturday morning, you can take advantage of the manned, secure cycle parking at Cyclepoint just by the main rail station entrance. You can park for £1 for the day, and we've negotiated with Cyclepoint that they will open early for delegates so you can leave your bike any time after 9am. Cyclepoint is about 10mins walk from the Civic Hall.

I started trying to write instructions on riding from the railway station to the Civic Hall, but honestly it's easier to walk. Welcome to Leeds!

Friday evening social:

Friday night's evening social will be in the Victoria Hotel and Public House on Great George Street. Food orders are taken until 9pm and we have Bridget's room booked, on the left as you enter the pub. It's very informal, so just arrive at your leisure and order your own food and drinks at the bar.

It is also Light Night in Leeds so there are lots of activities all over the city for you to enjoy. Find out more at www.lightnightleeds.co.uk

Conference

Arrival and registration is from 9.30 with tea and coffee. The programme starts at 10.15 in the Council Chamber. Lunch will be a buffet with sandwiches and soft drinks provided.

**Saturday evening social:**

Dinner will be at the Aagrah restaurant, in the BBC building on St Peter's Street.

Sunday morning rides:

Delegates are welcome to join our regular Sunday rides, with a choice of routes:

The longer ride 'Tour de France highlights', led by Barry, will meet at 9am in City Square (just in front of the Railway Station) and will be about 65 miles long.

The intermediate ride of about 30 miles will meet at 9.30am at Roundhay Park Old Tram Terminus car park (opposite Tropical World). The destination is Otley and will be led by Brian. More detailed information about getting from the city centre to the start point will be available on Saturday, just ask one of the Leeds Cycling Campaign representatives.

Any questions?

If you have any questions in the meantime please feel free to contact us at conference@leedscyclingcampaign.co.uk or using the links below.
